

Student Portal Sign In

To sign in to the Infinite Campus Portal, please follow the steps below:

1. Go to <https://hawaii.infinitecampus.org/campus/portal/hawaii.jsp>
2. Enter your **Username**
 - 10 digit student number
3. Enter your **Password**
 - <first name initial lowercase><last name initial lowercase>birthdate MMDDYY> (e.g., aa020501)
4. Click on **Sign In**

The screenshot shows the 'Campus Portal' login page for the Hawaii Department of Education. It features a 'Login to Infinite Campus' button, a 'or' separator, and input fields for 'Username' and 'Password'. A 'Sign In' button is located below the password field. Callouts provide instructions: '10 digit student number' for the Username field; '<first name initial lowercase><last name initial lowercase>birthdate MMDDYY> (e.g., aa020501)' for the Password field; and 'Click here after inserting Username and Password' for the Sign In button. Below the login fields are links for 'Forgot your password?', 'Forgot your username?', and 'Problems logging in?'. A note states: 'If you have been assigned a Campus Portal Activation Key, click here. If you do not have an Activation Key, click here. Tell me more!'. A 'District Announcements' section is also visible.

Student will be forced to change their password

1. Enter **New Password**
 - New password must be strong enough to reach 100%
 - Use a combination of upper and lower case letters, numbers and/or symbols
2. **Verify New Password** by retyping the password used above
3. Enter **Current Password**
 - Re-enter the default password used on the initial sign in (e.g., aa020501) and click **Save Changes**

User Settings

Change Password ?

Enter your new password in the first and second fields.

The System Administrator has flagged your account to force a password change. Please change your password now.

The screenshot shows the 'Change Password' form. It has two input fields: 'New Password' and 'Verify New Password'. A progress indicator shows '0%'. A callout points to the progress indicator, stating: 'New Password must be strong enough to reach 100%'. Below the fields is a 'Save Changes' button. A callout points to the 'Save Changes' button, stating: 'Re-enter the default password used on the initial sign in and click on Save Changes'. Below the 'Save Changes' button is a 'Current Password' input field.
